Dear Chapter President,

We are delighted to announce to you and to your chapter that Dance Groups will be featured at the upcoming 42nd PAA National Convention in Clearwater FL, from June 24 through July 1, 2011.

We all know that among the most important and vital cultural elements of our rich Cretan culture are dancing to the Cretan sounds and rhythms. Dance helps inspire our youth to keep our traditions alive for generations to come as it also reconnects older generations with their origins. Please encourage your dance group to participate at this great event.

In order to make the Dance Program at the Convention a success, we *need to know as soon as possible* if the Dance Group from your chapter will participate. Please complete the form we are sending you and **reply no later than April 20, 2011.**

We trust your support and your quick attention.

I hope the best for you, your family and your chapter's members and their families.

Culture & Education Committee, PAA
